

Safety procedures against Covid-19

Our staff obligations:

- Taking measure of their body temperature every morning;
- Use of the face mask in case of interaction with the clients;
- Keeping the distance of 1,8mt from others;
- Frequently wash their hands and disinfection;
- Employees who have had contacts with positive people at Covid 19 in the last 14 days can't come at work;
- The staff can't come on board while clients are still present, and unless the first sanitation process has not been made.

Office and moorings:

- All the company's spaces and vehicles (office and warehouses, vans) are cleaned and disinfected every day;
- All the surfaces dedicated to the client's hospitality (counter, pos) are sanitized after every use;
- The multilanguage protocol concerning the protection measures from Covid-19 will be affixed in the office, on the boats and on the dock;
- You can find on board informative sheet with telephone numbers to contact in case of emergency;
- It is forbidden to clients to stay on the dock in front of the boats;
- Luggage can't be left on the dock and has to be taken directly on board.

Cleanings and sanitation process of the boat:

- Complete indoor sanitation by nebulization of a certified low environmental impact product based on hydrogen peroxide after the disembarkation of the clients, before the check-out procedures;
- Indoor cleanings with certified products and disinfection of all the surfaces with products based on alcohol or hydrogen peroxide;
- Washing and sanitizing of the kitchen equipment;
- Pillows are protected with disposable pillow cases, and disposable mattress covers in TNT to compulsory install by the client will be supplied;
- Bed linen and eventual towels will be packaged singularly, disinfected and sealed;
- Cleanings and disinfection of the deck, the lockers, and cockpit pillows;
- After the cleanings, the controls, and the maintenance works, a second complete indoor sanitation will be made. After this operation, 43° Parallelo Staff can no more come on board.

Check-in and check-out procedures:

- In the office, only one member of the crew is admitted, and he must wear a face mask and respect the distance from the counter. The client shall disinfect the hands with the sanitizing gel available at the entrance. The crew can't create any crowd in front of the office and must keep the social distancing;
- Clients must compulsory wear face masks;
- Check-in procedures will be exclusively made via 43° Parallelo App, the staff can't come on board. In case of any technical problem or breakdown, all the members of the crew shall leave the boat, and the technical staff can go on board wearing the PPE;
- Before the check-out, the clients must unload all their personal objects, tidy up the boat, clean the deck and fill up the water tanks. Once they leave the boat, the first sanitation process will be made, and the clients cannot go on board again.

Hygiene on board:

- The crew must wear face masks. A free supply is available on board, together with the hand sanitizer gel and a sanitizing spray;
- The skipper must organize regular daily cleanings and regular daily disinfection during all the period of the charter long. Before the check-out, all the surfaces in the boat, kitchen, toilettes, handles and handrails must be cleaned and sanitized with the supplied product or similar. Disposable mattress covers and disposable pillow cases in TNT must be thrown away by the clients, and the bed linen put inside supplied sacks.

We hope that you can understand the difficulties we face and that you can accept any delays in delivering the boat.
